THE STUDY OF ECONOMY

IS THE FIRST STEP.

Towards solving the great money-saving problem. Your own interest demands it and this store paves the way for it.

The goods and prices are here to be compared and judged—we want to be studied—the more we are studied the more business we do. Every investigation unfolds the powerful principle upon which the foundation of our success is built.

Price fairness to all—indifferent service to none. It's upon these grounds we hope to deserve and maintain the support of a public studios of its own economical interests.
